## *veterans club*

The St. Francis Veterans Club was established two years ago. It was formed in order to assist those who, after fulfilling their military commitments, have returned to academic life. The Club's members encounter the incoming Veterans, orientate them to College routine, and indicate to them the possible benefits of St. Francis College. Concurrently they arrange for a series of lectures in conjunction with the Veterans Administration informing him of the G.I. Bill's benefits. The College activities of the Club include its annual raffle, with proceeds going to the Veterans Hospital. With Prof. Arthur Hughes as its moderator, the Veterans Club promises to continue to serve the Veterans of St. Francis College.

*we shall never understand one another  
until we reduce the language to seven words*

— KAHLIL GABRAN

# *psychology club*

The Psychology Club, under the leadership of Bro. Gerald (moderator) and Peter Chingos (president), has experienced a new beginning. During the year the members enjoyed a demonstration on hypnosis, a discussion on "Sleep Deprivation and Dream Analysis," and tantamount to this year's events "The Great Debate" between Dr. Mourer and Bro. Gerald. The club also planned field trips to Pilgrim State Hospital, Daytop Village, and to a Psycho-Drama. The year ends with the installing of a new tape library and with the hope that St. Francis' psychology club will eventually become a member of the Psi Chi Honor fraternity.
