

# PI ALPHA

The Dance Committee makes a final check of the proceeds at the door: Jerry Gannon, Archie McCormick, Frank Cassidy, Bob Mastrian, John Meudt, and Tom O'Friel.

Members of the faculty enjoyed the dance *en masse*. Included in the party were Prof. Nicholas Fiorenza and his guest, Miss Mary Cloney, Prof. Francis Delaney, Brother Camillus, Brother Alexander, Brother Henry, and Dr. and Mrs. Savage.

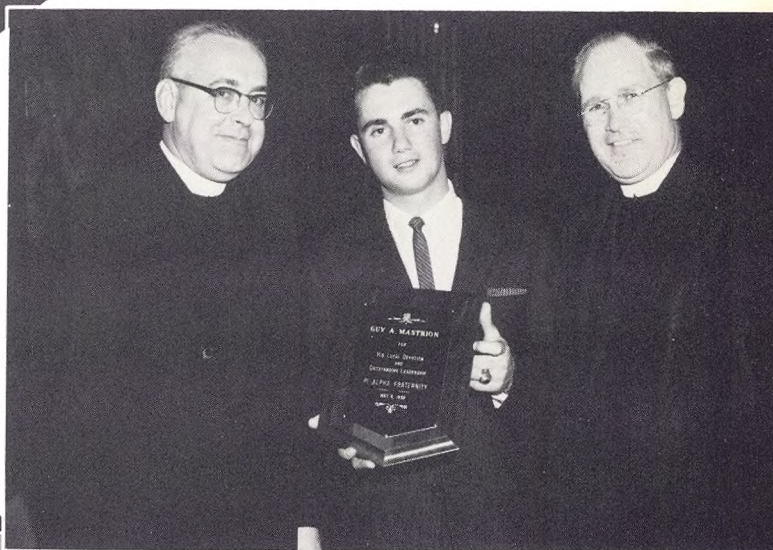

Some of the *illustres viri* of the fraternity pause for a moment for a portrait: Tony Raimondi, Kevin Quirke, Jerry Gillia, Guy Mastrion, and Jim O'Neill.

Ed Lynch, Frank Natoli, Bill Cahill, and John Astarita and their guests are pictured at the height of the festivities at the Pi Alpha Ball.

Brother Camillus and Brother Henry, Dean, congratulate Guy Mastrion, who was the Archon, on his gift plaque from his fraternity brothers.

Members of the fraternity pay their respects to last year's Archon, Guy Mastrion.
